

Geometria 2023/011

generalizziamo Span:

$\underline{u}, \underline{v}, \underline{w} \in \mathbb{R}_0^3$ sono lin. indep. se:

$$\underline{u} \neq 0, \underline{v} \notin \text{Span}(\underline{u}), \underline{w} \notin \text{Span}(\underline{u}, \underline{v})$$

dentro e fuori dal piano \rightarrow

\underline{w} esce dal piano!
